The **Postsecondary Feedback Report (PSFR)** is a dynamic tool that allows users to explore the connection between employment outcomes associated with graduates of different majors and credential levels at Kentucky postsecondary institutions. This dashboard details 42 of Kentucky's public (4-year and 2-year) and private (4-year) institutions. Hovering over an info button will give more details about a chart. Filtering is done by selecting an institution and/or credential level on the left, or clicking a major icon below.
